MISS COLE TO SING FOR LOCAL RED CROSS

National Anthems of Allied Countries Will be a Feature of Program.

Miss Grace Cole's benefit concert for the Red Cross will give Fairmont people a chance to hear a finished artist in whose art Fairmont has a local claim. Miss Cole frequently comes to Fairmont to visit her mother, Mrs. Laura Cole, and her aunt, Miss Florence Arnett, both of whom have been residents of this city for years.

Miss Cole has a wonderful voice and has had the advantage of years of study abroad under the best training procurable, thus a remarkable natural talent has been developed to the utmost. She sings with equal facility in French, Italian, Spanish and German, appearing in many operas, in which she was rapidly acquiring fresh laurels. She was especially successful in the cities of Italy being hailed with delight in Florence, Milan, Ferrara and Messina by the music loving people of those cities.

At the beginning of the war she was compelled to give up her engagements abroad and return home. The Philadelphia Ledger says of a concert given in that city since her return:

"Miss Grace Cole, who has returned to this country after brilliant successes in Europe, added to her triumphs the captivation of the audience. The 'Butterfly' aria soared above and beyond the usual for a concert stage rendition, and an English group of songs was delightfully interpreted."

The local Red Cross chapter is greatly appreciative of the generosity of Miss Cole in returning here to give a benefit in her home city. The entire proceeds of the concert will go to the Red Cross. Fairmont people are anxious to hear Miss Cole and will no doubt attend in large numbers, both for a delightful evening of entertainment and to help a worthy cause. Her program will be as follows:

I. Una voce poco fa, Rossini; Recitative and aria from The Barber of Seville.

II. English songs—(a) Just You, H. Burleigh; (b) At Dawning, Cadman; (c) Mighty Lak a Rose, Nevin.

III. Italian and Spanish Folk Songs—(a) Amor Mio, Ricciardi; (b) Marchiare, Tosti; (c) Torna a Sorrento, Curtis; (d) Clavelitos, Valverde.

IV. Mother Goose Jingles—(a) The north wind doth blow; (b) Twinkle, twinkle little star; (c) Pussy cat, pussy cat; (d) There was a crooked man; (e) Goosey goosey gander; (f) When I was a little boy—Johnstone.

V. Un bel di (One fine day) Puccini; Aria from Madame Butterfly.

VI. National Anthems of the Allied Countries—(a) Russian, Gretchaninoff; (b) Italian, Olver; (c) Belgian, Campenhout; (d) British, Carey; (f) French, de Pisle; (f) American, Key.

DON'T BE BALD

Here's a Good Way to Stop Loss of Hair and Start New Growth.

If your hair is thinning out, prematurely gray, brittle, lifeless, full of dandruff and your head itches like mad, it's a sure sign of a dangerous dandruff germ and quick action must be taken to save what hair you have and start a new growth. Don't wait until the hair root is dead, for then nothing can help you, but get from your druggist four ounces of Parisian sage—it don't cost much and there's nothing you could use that's any better. Dr. Sangerbund, the famous Paris specialist discovered that Dandruff and falling hair are caused by a microbe—then came the discovery of the value of the genuine Parisian sage (liquid form) to destroy this germ and prevent further loss of hair and the formation of dandruff. You will surely be delighted with the first application, for young hair will be bright looking, all itching ceases and your scalp feels cool and comfortable. A few massages with Parisian sage are all that are usually needed to destroy the germs that cause dandruff to form, and very soon you should be able to see the new hairs coming in. Parisian sage is a favorite dressing with discriminating women, because it is delicately perfumed, does not stain or streak the hair and makes it lustrous, soft and fluffy. Be sure you get Parisian sage (Giroux's), for this is guaranteed. Mountain City Drug Company will supply you.
